LEWIS J. LIMAN, United States District Judge:

To help guide the closing arguments scheduled for April 30, 2021, the parties should be prepared to address the legal implications (including relevant case cites) under the various claims asserted if the Court were to find that Strategic breached the Research Agreement by failing to provide the research and reports on the timetable specified in that agreement and, at the same time, to also find that Eastern breached the Research Agreement by failing to make the \$750,000 payment that, according to Strategic, was due in mid-February 2017.

SO ORDERED.
